## ABSTRACT

These tables were built to accompany the text submitted to LangArc-2. However, that publication venue asked for the tables to be moved to a supplementary location.

## KEYWORDS

OAI-PMH, Dublin Core, Journals, Serials, Catalogs, Open Language Archives Community, OLAC

## 1 TABLE COMMENTS

Table B does not include the results for the search term *serial* because all senses of the term's use were related to linguistic terms-of-art with the exception of one response from *Graduate Institute of Applied Linguistics Library*.

Table 2: Characterization of results

Data Provider	Characterization of <i>Journal</i>	Characterization of <i>Article</i>
A Digital Archive of Research Papers in Computational Linguistics	Tables of contents to issues of a journal. No actual journal articles.	One review article; One paper on linguistic determiners
Aboriginal Studies Electronic Data Archive (ASEDA)	Mention of a file which contains an index of journal articles.	0
Academia Sinica Collections	Description of a "balanced" corpus contains the term <i>Journal</i> because articles are included in the corpus.	0
African Language Materials Archive	0	Book chapters
Alaska Native Language Archive	Some journal articles, some manuscripts which are commentary on journal articles.	Manuscripts; Typescripts; Commentary; Journal articles
C'ek'aedi Hwnax Ahtna Regional Linguistic and Ethnographic Archive	0	Reference to newspaper article
California Language Archive	Pre-print articles with commentary, field data notebooks called "journals", lists of journal articles in description fields.	Offprints; Pre-prints; Typescripts; Journal articles
COLlections de COrpus Oraux Numeriques (CoCoON ex-CRDO)	Deposits which contain <i>Journal</i> in their description field because the evidence is the foundation of the journal article, but the article is not linked from the record.	Journal articles referenced in description; newspaper or short article "read" for audio recording
ELRA Catalogue of Language Resources	Description field lists journals announcing the existence of corpora.	Article appears in URLs in description field; Some corpora are compilations of newspaper or magazine articles
Endangered Languages Archive	Some journal articles, Some pre-print manuscripts with notices of intent to publish, some data note books referenced as journals.	Journal articles; Book chapters; Determiners
Eurac Research CLARIN Centre	Description field contains a link and mention of a journal article which presents the corpus.	0
Graduate Institute of Applied Linguistics Library	Contains journal articles	Journal articles; Offprints
ILC-CNR for CLARIN-IT repository hosted at Institute for Computational Linguistics "A. Zampolli", National Research Council, in Pisa	No record shows up	0
Indigenous Materials at the American Philosophical Society	Memoirs and personal accounts	Citations to journal articles
Kaipuleohone	Description mentions how a journal article presents the data.	Items are evidence or appendices to journal articles
Language Documentation and Conservation	Data provider is a journal. All items are articles.. why are there only 45?	Journal articles; Review articles
LINDAT/CLARIAH-CZ digital library at the Institute of Formal and Applied Linguistics (UFAL), Faculty of Mathematics and Physics, Charles University	Page dies with an error (decimal 154)	Page dies with an error (decimal 154)
Lund University Humanities Lab corpusserver	One is a real journal article, but links are not resolving to the actual data provider	Description mentions the related article
Pacific Collection at the University of Hawai'i at Mānoa Hamilton Library	Page dies with an error (decimal 129).	Page dies with an error (decimal 154).
SIL Language and Culture Archives	Journal articles; Journal volumes	Journal articles

Table 2 continued from previous page

Data Provider	Characterization of <i>Journal</i>	Characterization of <i>Article</i>
Slovenian language resource repository CLARIN.SI	Description field contains a link and mention of a journal article which presents the corpus.	Corpora of news articles
TALKBANK Data repository	Deposits which contain <i>journal</i> in their description do so because the evidence is the foundation of the journal article, but the article is not linked.	0
The Language Archive	Journal articles; Collections of journal articles; Deposits which contain <i>journal</i> in their description do so because the evidence is the foundation of the journal article, but the article is not linked.
